Sec. 12. And be it enacted, That from and after the passage of this net, the following rates of fare or charges for the conveyance of persons from one place to another in the city of Washington, in backney corriages, cabs, or other vehicles, carrying passengers for pay or hire, between daybreak and eight o'clock p. m., shall not be exceeded—fine is to say, for each any every passenger, for a distance not over one-and-a-half mile, twenty dive cents for any distance over one-and-a-half mile, and not exceeding three miles, fifty cents; Provided, in case any hockney carriage, cab, or other vehicle, shall be detained for a longer period than dwe minutes, the driver thereof hall be allowed for the whole hack, cab, or other vehicle, the sum of twelve-and-a-half cents for every fifteen minutes so detained a far all conveyances or other detentions later than 8 o'clock p. m., the owner or driver of hockney carriages, cabs, or other vehicles, may demand and receive at the rate of fifty per centum on the foregoing charges, in addition thereto.

Square miles To those Bacotah is to be added, of the extent of which we have seen no estimate.

The superficial area of the present States is as follows:

622,190

1,461,010 It is seen that the area of Kansas is nineteen thousand zong greater than that of all New England, New. York, and New and that the area of Nebraska is ninety-five thousand miles than that of all the non slaveholding clates except California is nearly equal in extent to all New England, New York, vania, Ohle, and Indiana. It is possible that New Mexico an will be embraced in one territorial organization by Congress present assaion, containing 285,000 square miles—exceeding England, New York, Pennsylvania, Ohle, Indiana, and Illinois ington exceeds in extent all New England and New York.
